All danger from a flood, which was feared by the residents in the Brick Row on Broadfield avenue, has passed over. The gradual melting of the snow occasioned a general rise in Second River.

Two trains called at the residence of Miss Martin near the Montclair line and demanded something to eat, they were refused when one of them picked up a flower pot and flung it through the window.

Bloomfield Council Order of American Women, will visit Montclair Council Monday evening. A reception will be tendered them. State Secretary, Wm. H. Cole, and members of Farrier Council of Jersey City are expected to be present.

Two new houses are being erected and probably more on the Eckhardt

Estate, Clinton street, near Linden avenue, by E. G. Vail Jr. They are to be occupied by Messrs. Stevens and Mulvihill, both of Brooklyn.

Superintendent Cautbrook will receive a new supply of tubing for gas mains, shortly. The Superintendent is perfectly willing to supply every street in the Township with gas. It is only the restriction placed upon him by the Town Committee that prevents him from doing it.

A farmer from Caldwell narrowly escaped serious injury at the centre on Wednesday morning. In attempting to get on his wagon, his foot got caught between the spokes of the wheel, the team started and threw him. The prompt action of a bystander averted an accident.

Don't fail to see Blind Tom, the great musical phenomena at Dodd's Hall, Monday evening, March 29. It is said that Blind Tom's greatest feat is the playing of Yankee Doodle with his left hand and Fisher's Hornpipe with his right hand, and singing "Tramp, Tramp," at the same time.

An unknown German complained to the police on Sunday, that he had been assaulted by a crowd of ruffians on Bloomfield avenue. The police went to make arrests, but it was found that the assault had occurred over the line in Montclair Township. He was directed to the Montclair officials.

At the meeting of Eureka Lodge Knights of Pythias on Tuesday night, William Ferguson was elected Chaplain, vice Lyman B. Clapper, resigned. Seymour Gilbert was elected a member of the Board of Trustees. Tickets for the entertainment at Dodd's Hall on April 9th were distributed.

A dog suffering from hydrophobia caused a commotion among the residents of Thomas street on Monday. The rabid animal was shot by Mr. Fred Dowd, but not until it had bitten several dogs, among them Mr. Dowd's. That gentleman afterward shot his own dog to prevent further mischief.

A meeting of the members of the Union Rifle Club was held at Mr. Howard Spear's on Tuesday night. The bill giving townships, having a population of 1,000 to the square mile, power through the Township Committee to construct a system of sewers or drains, has become a law. This bill is said to be in the interest of Montclair. Another bill gives townships having no outlet, power to construct sewers, in or across the streets of adjoining municipalities.

Constables John V. Smith and George M. Cadmus have been appointed for duty at the Court House during next term of Court. Mr. Cadmus succeeds Constable Benj. F. Baldwin. A bill introduced by Senator Martin makes the remuneration for this service \$2.50 per day during the time they are engaged in Court duty.

Just after going to press last week we were informed that J. A. Peloubet had plans already in hand of contractors, for the tearing down of the old Davey home stand, and building a very large cottage nearly on the site of the house that has outlived its usefulness. We understand that Mr. Peloubet has a customer to buy the new house as soon as completed.

A crowd of boys, children of Patrick Neville, Patrick Moran and Thomas Lee, were arraigned before Justice Hall on Thursday night on complaint of Otto Fleishman, who accused them of assaulting him with snow balls and stones. The Justice after taking the evidence, discharged the Nevilles and Moran boys but bound the three Lees over to keep the peace.

Considerable interest is manifested in regard to the newly chosen Board of Freeholders which convenes in June, owing to the fact that lots will be cast among the members from the township, to decide which one shall hold over for the two year term. Anxiety among the politicians is centered in the townships whose representation is made up of one from each of the two political parties.

The Fairview Heights Literary Society met at the house of Mr. W. E. Revens last Thursday evening. It was a very enjoyable occasion and was well attended. Music, readings and a debate made up the program. The debate, which was handled in a masterly way by Messrs. Pilger, Seibert and Hale, occasioned much laughter and applause, and the palm was awarded to Mr. C. L. Seibert. The Society meets on April 12th, at the house of Mr. Walter Farrand.

The Bloomfield Hat Finishers Association held a largely attended meeting on Tuesday. A committee was appointed to act in union with other District Associations throughout the State, to urge

Congressman Leihbach to use his influence to have raw material used in manufacturing hats placed on the free list, also to have the duty raised on partly manufactured hats to 50 per cent. It is now the custom to import hats in a partly finished state and have them admitted as raw material.

The erection of a Grammar School, located on Glenwood avenue near Linden avenue, is said to be a much felt want. It is claimed that a school of this character at this locality would be easy of access to a very large portion of the town. Pupils graduating from it would be eligible at once for entrance into the High School class. The advocates of this measure should have broached it at the annual school meeting. There was an apparent dearth of topics to talk about there, perhaps one like the above would have created a lively stir.

The new Board of Education met at their room at the Center School-house, Belleville avenue for organization on Tuesday evening. Messrs. F. H. Pilch and A. H. Edgerly, the new members, were sworn in by County Superintendent Chas. M. Davis. Mr. Thomas Oakes was chosen President of the Board and Mr. Wm. A. Baldwin, District Clerk. The President appointed the following Committees: On Teachers, Messrs. E. A. Smith and F. H. Pilch; on Buildings, Messrs. S. Peloubet and A. H. Edgerly; on supplies, Messrs. Wm. A. Baldwin and Thomas Oakes.

Wm. S. Pierson Post G. A. R., held a pleasant entertainment at the Post rooms last Friday night. There was a good attendance. Among those who contributed to the evening's entertainment were Misses Mary Wilde, Bertha Pilch, Mary and Bertha Leu, Mrs. D. A. Ferguson, Messrs. Edwards and Baldwin of Belleville, and Mr. Fred Mohrman the elocutionist, whose humorous rendering of several literary selections elicited loud applause. Comrade David Gregory, assisted by members of the Post sang several war songs. An Orchestra under the leadership of Mr. Charles Dodd, furnished instrumental music.

Chaplain Simons' War History.

The regimental history of the Civil War, embracing chiefly the services of the 15th New York Volunteers, written by Rev. E. D. Simons, has just been issued from the press in New York. The book presents a handsome appearance, is beautifully printed and bound, containing numerous portraits, battle-pictures and maps, the whole covering about 400 pages. The typographical work of the book was done in the office of THE CITIZEN, during the winter months.

Apart from its special interest to the regiment named, Mr. Simons work is valuable, and of general interest as a war history. The chapters devoted to the battle of Gettysburg occupy about sixty pages and the narration given is a most graphic picture, being the experience of an eye-witness and participant in that supreme struggle of the century between men of North and South.

The operations of the 15th Regiment before Richmond and Petersburg during the last year of the war, up to its very close, are also faithfully recorded, the whole comprising a very neat and interesting work—worthy of a place in libraries beside the best histories of the Civil War that have appeared.

Miss Mamie Baldwin has charge of the work in Bloomfield and will take subscriptions for delivery, the price being two dollars per copy.

Worthy of Notice and Remembrance.

Preparations are being completed for a rare treat to all lovers of good music and elocution. Through friends, the services of several parties have been secured for a concert to take place Friday, April 13, and a very choice and attractive program has been arranged.

Miss Anita Mason, first soprano of South Church, corner 5th Ave. and 21st St., New York, will be the vocal soloist. Miss Mason was, a number of years ago, a resident of this place for a short time. Soon after leaving here she spent some time in Italy in the cultivation of a voice by nature very beautiful, and since her return she has been met by success at every turn.

The elocutionist, Miss Jessie Ellis, is a pupil of Prof. Roberts, who is one of the foremost, if not the first, among New York's elocutionists, both as a teacher and reader. The selections will be popular and the rendition cannot fail to delight.

The violin, when skillfully handled, is always a pleasing feature of such an entertainment and Miss Ethel Ellis, of the city, certainly master of her instrument, has been engaged as violinist. Miss Ellis has but recently come from Boston, where she studied under the instruction of the best in her line.

Mr. Carl Roeder, organist of the North New York Baptist Church, as pianist, will not furnish the least share of the enjoyment of the evening. Though but young in years he has attained a proficiency in his profession that is quite remarkable. His style is very taking and undoubtedly his playing will very greatly please all who hear him. Other features, to be at under consideration, may develop later.

Such a combination should receive the support of all who appreciate and enjoy an entertainment of this character, and it is hoped that such will be the case. Those who are acquainted with the merits of these artists willingly vouch for the high tone of the program in every particular. The concert will be in the Methodist church, under the auspices of the Young People's Association—notice the time—the second Friday night from this date. Admission 35 cents, reserved seats 50 cents. Tickets can be procured at the drug store of G. M. Wood. On and after Tuesday, April 3d, ordinary tickets can here be exchanged for reserved seats tickets upon payment of the difference in price. Members of the Association or friends wishing to procure tickets to sell, will find them at the grocery store of Lewis Dawkins.

Who Will It Be?

The recommendation of a man to fill the position of Chief of the Fire Department rests with the Chairman of the Fire Committee. An animated contest is being carried on among the members of the several Companies. Strong pressure is being brought to bear on the Town Committee by the numerous friends of the candidates mentioned for the position, who are the present incumbent, Mr. A. J. Marsh, and Mr. T. Howell Johnson, at present First Assistant Engineer. It was expected that the matter would be settled Wednesday night, and many of the firemen were within earshot of the Committee rooms, eager to hear the news. Nothing was done in the matter, however, and in the meantime the fight goes on.

Watessing.

Dr. A. H. Van Riper will move to Nutley, where he will open a drug store. J. W. Butterworth has sold the lot recently purchased by him on Dodd and Westcott streets.

A surprise party was tendered Miss Emma Bowker at her residence on Ella street, last Friday night.

There is opportunity for some enterprising business man to take the store vacated by Dr. A. H. Van Riper in J. W. Butterworth's building.

The hat manufacturers of "Factoryville" will make a "gilt edged" hat for the Montclair Times' correspondent if he will send the size of his cranium, provided they have a block small enough.

The fourth quarterly conference of the Lawrence Street M. E. Church was held on Monday night. The salary paid the pastor, including house-rent and Elders' fees, was reported \$1,186.

Forty-eighty trains on the D. L. & W. and forty-six on the Orange branch of the Erie passing to and fro daily, will necessitate that the signal man at the crossing of the two roads be on the alert, in order to avert collisions.

The seating capacity of the Watessing M. E. Church was insufficient to accommodate the assemblage that gathered to hear Rev. J. H. Egbert's farewell sermon. The loss of Pastor Egbert is sincerely regretted by the whole community.

The people of Watessing are acerbiously abused through the columns of the Montclair Times, for defeating the scheme of the "disgruntled element" of the School Trustees election. A subscription list was opened to raise funds with which to purchase a box of salve to apply to the sores of the Times' indulgent.

Speculation has been indulged in among the voters here, with respect to the names of the Bloomfield correspondent of the Montclair paper. The names of two well known men have been fixed on. There is considerable doubt even with these, as they are known to be members of Bloomfield churches. The good people here do not like to speak disrespectfully of church members.

Y. M. C. A. Notes.

The Woman's Auxiliary will hold its regular monthly meeting Monday afternoon at 3 o'clock.

The monthly meeting of the Reception Committee will be held Saturday (this evening) at 9 o'clock.

Next Thursday afternoon at four o'clock the Woman's Auxiliary will give a reception and entertainment to the Boys' Branch.

The meeting for men Saturday evening from 8 to 9 o'clock will be especially interesting, as a good leader and cornetist will conduct the song service.
